MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: [REDACTED] 25X1A2g

25X1A6a 1. I have reviewed subject project and generally concur with the principles outlined. I am not, however, in a position to comment on the cost estimates which have been included. I also believe that the amount of communications equipment which will be stored [REDACTED] will represent a fairly small percentage of the total.

25X1A6a 2. At this time I have no communications personnel which I can transfer [REDACTED] nor do I see any such requirement developing.

Signed

[REDACTED]
Director of Communications
